VOLUNTEER COMMITTEES

- 1. COMMUNITY PARTNERS COMMITTEE:** If you like working with nonprofits and want to see how they implement their grant dollars, then the Community Partners Committee may be for you. You will gain detailed knowledge of our nonprofits and their winning programs, as well as attend on-site visits and learn how our accountability and follow-up procedures work.
- 2. EVENTS AND GENERAL VOLUNTEER COMMITTEE:** This is the perfect opportunity to get to know other Impact Members in a small group setting. From event planning in detail to helping with general tasks on a one-day-only event, we can use your help. Various events throughout the Impact year include the November Kickoff Brunch, Impact Day and Impact Month Open Houses in January/February, Meet the Finalists Reception and New Member Social in March, and the Annual Meeting and Volunteer Appreciation Party in April. General volunteer contributions include helping with the set-up and breakdown of materials at events and event registration.
- 3. FINANCE COMMITTEE:** If you have a financial background or expertise and want to be an integral part of the Grants Committee we would appreciate your talents. As a financial analyst/grant panel member you will review the grants with a special focus on the financial reports. Time commitment: January-February.
- 4. GRANTS COMMITTEE:** If you like reviewing grant applications, making site visits, and recommending awardees, then the Grants Committee may be for you. You will gain increased awareness of community needs and appreciation for the work of the nonprofits striving to meet those needs. Time commitment: January-February. Dues must be paid by December 1st to join this committee.
- 5. MEMBERSHIP COMMITTEE:** If you would like to help with recruiting new members, retaining current members, and mentoring new members, then the Membership Committee may be for you. Meetings are limited with most of the work done by email or at events.
- 6. MARKETING COMMITTEE:** If you are creative and would like to promote the unique organization of Impact 100, think about joining the Marketing Committee. We need people who have writing experience, know their way around a camera, like to liaise with the media, or understand print production. Meetings are limited with most of the work done by email or at Impact 100 events. This is a relatively new committee with the opportunity to promote the Impact brand in creative ways!
